

105 Years of Service to the King!

Erwin Grosshans was a faithful Hope Seeds volunteer for many years. This past June, at the age of 105, he went to be with the Lord, preceded by his wife, Ruth, in 2020. Pray for the family and for all those who have lost loved ones recently.

Qualified Charitable Distributions (QCDs)

What's that? A QCD is a way of giving to a charity that all folks over 70 1/2 should know about. After an IRA holder reaches 70 1/2 the IRS requires a minimum distribution (RMD) be made from the IRA account. Receiving this required withdrawal into your personal bank account immediately makes it subject to IRS taxes. If it is instead transferred directly from the IRA account to a qualified charity it becomes a QCD and it will not appear as income in your tax return. You pay no taxes on the distribution and you benefit your charity with this donation. Check it out with your tax consultant and your financial advisor. For those over 70 1/2 this can be the best way of giving, especially with the new tax laws. A QCD must be completed by 31 Dec 2021 for the current tax year!
