- Volunteer seed packing activities flourished; adapted for Covid challenges
- Initiated Mustard Seed program of mini-economic grants for families
- Seed distribution cooperation established with new partners, including Agape Flights, Chances4Children, Children of the Nations, Convoy for Hope
- Partnership agreement developed with Love A Child for Haiti efforts
- Enhanced gardening educational materials; included with each shipment
- Redesigned evangelistic materials; child- and culture-friendly emphasis
- Long-term lease agreement for headquarters office, seed storage, and test garden facility reached with Hope Church of Bradenton, Florida
- Staff organized successful visit with partners in Haiti for evaluation of efforts, strengthening of cooperation, and gardening training
- Relunched website www.HopeSeeds.org, with incorporation of new logo

Hope Seeds
International Inc

Sharing the love of Christ and reducing hunger through worldwide partnerships, empowering people with sustainable food production skills, seeds, and resources.
