The value of the seed distributed in 2016 by Hope Seeds was augmented significantly by the 5,000 hours of volunteer seed-packing and 450+ hours contributed by Board members, generating a substantial added-value beyond its actual worth. These gifts of time and talent, as well as the generous donations and loving gifts received from supporters, enabled Hope Seeds to respond resolutely to the need for sustainable and nourishing food sources throughout the world.

Countries touched by the efforts of Hope Seeds in 2016 include:

Belize | Cambodia | Cameroon | Cuba | Congo | Dominican Republic | Ethiopia
